Our Commitment

The Association of Diploma Schools of Professional Nursing is committed to:

- Supporting all levels of nursing education and practice in the State of New Jersey.
- Providing access to a cost-effective, high-standard nursing education that accommodates employment and family demands.
- Accessing a culturally diverse population to promote employment and leadership in inner city and urban communities.
- Producing graduates who are decision makers and consumer advocates in the midst of the changing health care environment

ADSPN has established a scholarship program to assist students and faculty in pursuing a career in health care and faculty serving the needs of New Jersey nursing.
